

# VOLUNTEER PROGRAM

Galaxy Digital: Teams

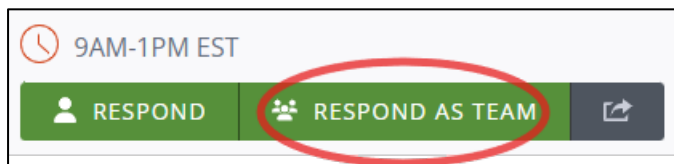

## What is a Team?

A team is a volunteer-created group used to respond to an opportunity that have team signups enabled

## How do I know if an opportunity accepts a Team?

At the top of the opportunity description page, you will see the option to respond as a team. If this option does not appear, only individuals may respond.

### PRO TIP

Filter for opportunities to only see those accepting Team responses

## When to use a Team

- When you want to participate with **coworkers, family, or friends**.
- When you want to respond with the **same team repeatedly**.
- When you want to **manage your own roster**, responses, and team participation.

## Responding as a Team?

- Click the **Respond as a Team** button.
- Build your team if this is the first time creating one or enter a team name
- Choose a name for your team and add yourself by clicking **Add Me**
- Invite others to the team by entering their email address. If they don't currently have an account, it will invite them to create one.
- Reserve additional spots. No email addresses needed.

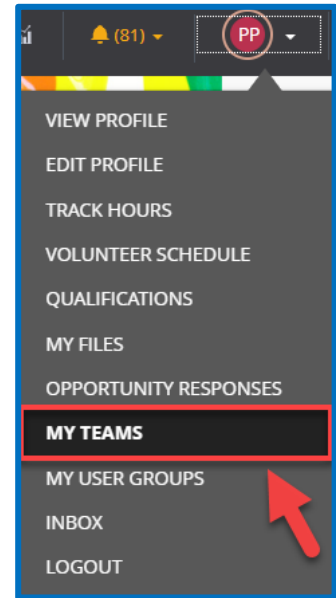

Build Your Team

Team Name \*

## Other Team Features:

- Assign a leader who manages the team and can:
  - Email other members
  - Edit responses
  - Add hours on behalf of members
  - Add or delete members
  - Join link to invite others
  - Team volunteer resume
- Reuse your team at future volunteer opportunities. Find out if you are on or manage a team from your profile.
